Hello from the Ocean Front.

After a slow start (about an hour into the trip we remembered we forgot to take the key to the condo and had to go back to get it) it's been a wonderful week. The weather hasn't been too hot, the Sun is out, 5-10 MPH winds, no neighbors.

Another great part of the Ocean Front is the evenings. The Full Moon occurred while we were here and as usual I had my camera at the ready.

From our comfy chairs with tunes playing (see NightDeck), we watched the Moon every night. When we woke up from snoozing, we went in to bed. Tough to take, but we are doing our best.

So, chalk one up for us, consider yourselves officially mooned by Denise & Gary.

Cheers,

Gary & Denise
