Attachments: BilliardsCAM.jpg

I finally finished the mount for BilliardsCAM (Patent Pending) and tried it out this evening.

Unfortunately, because the camera is only about 50" from the table top, I can't escape the fisheye syndrome.

I just happened to record my best game ever. You can see it here in Low Resolution:

<http://igx.net/Video/BilliardsCAM/BestGameEver.wmv>

If you were wondering where you could get cool Gray Mouse Tavern Merchandise, you can try this place:

<http://cafePress.com/GrayMouseTavern/>

Shameless.

G.
