Greetings from Ocean City, Maryland.

We've been really lucky this year, the condominium here has 18 units, and only about a third of them are occupied this week. And no others on the top floor where Denise & I are. Sunny, low 80's, breezy.

It's Full Moon Week, so here are your moonings.

Who would have thought that sitting around doing nothing for a whole week would make the days zip by, but they are nearly gone already.

Cheers,
D & G.
