Hello from Salt Lake City Airport.

I'm just passing through, on my way back from Anchorage Alaska. Postcard List members that knew I was going to Alaska have been asking me when they were going to get their postcard, so I'm sitting on the floor in an out of the way nook that had a power outlet for my laptop, putting this together while waiting for the next flight.

I was only in Anchorage for less than 48 hours, but I was still able to snap a few pictures. The weather was hazy, so long distance shots didn't come out well. Here are some glaciers from the plane, and some shots of Anchorage from the hotel.

It's likely I'll be going back before the end of the year, so I'll try to do better next time.

Cheers,  
G.
