Hello from Schiphol Airport, Amsterdam, Netherland.

Just passing through, but I have a six hour layover. I arrived here early this morning before the terminal filled with people (see attached). I'll be leaving from gate D49. That alone may be enough to figure out where I'm going, for you detective types.

Chances are you'll be receiving more postcards this week. I have a couple days of work, then I'll be spending some time with friends (also on the famous Postcard List). It pays to know people wherever you go.

Cheers,
G.
