I finally got to my destination hotel room at 10PM local. Attached is a view from my hotel balcony.

If that isn't enough to help you figure out where I am, I can say the time zone is UTC +3 hours.

I haven't seen anything in the daylight yet, but I suspect it's nice. Temperatures in the 90's during the day and 80's at night.

I've been travelling for 24 hours, so I'm heading for bed.

Cheers,
G.
