Hello (see attached).

If you recall, I was on an island out in the middle of the Mediterranean last week. This week, I'm on an island in the middle of the Pacific.

I arrived here in Lihue, on the Hawaiian Island of Kauai, late yesterday afternoon. I still hadn't quite recovered from the time shift (+7 hours) to Cyprus, now I'm adjusting to another shift (-6 hours), and quite poorly I might add. Which is why I was outside taking photos at 4AM.

At least it's an island of Hawaii I haven't visited before.

Aloha,
G.
