Hello again.

For completeness, I had to tell you that I'm on my third island in 10 days - Oahu, Hawaii.

The last time I was on this island (see the 22 FEB 2010 Postcard) I mentioned that I ate dinner at a restaurant at the top of the Ilikai Hotel in Waikiki. I described how I remembered the hotel from the TV show "Hawaii Five-O."

This trip, I'm staying at the Ilikai. When it popped up on the travel website I use as having vacancies within my price range, I just had to do it.

Attached are some shots from my balcony, and some from the fire escape looking towards the marina.

I also captured a time-lapse video from the balcony:

I did the same while I was in Kauai, but my room wasn't above the trees enough to see much:

And there is a jiggle in the middle, I had to cover the camera because it started to rain.

Aloha.
G.
