Hello from the Pacific Northwest. New people on the list, so if this is your first postcard, howdy.

I was here in the Puget Sound area earlier this year and a friend (also on the ever growing Postcard List) showed me this view of the Seattle Skyline, but I didn't have my camera with me at the time.

The weather here has been beautiful, but is about to go rainy for the next several days. So I thought I'd better whiz on over (4 ½ hours round trip) this evening and get the shot while the shootin' was good.

Cheers,
G.
