Hello all.

I had to make a quick (hopefully) trip back to the Pacific Northwest, and I couldn't get a room at the hotel where they know my name. So I have a view of Dyes Inlet from my room.

Just as I was getting ready to go to work this morning (I slept in late because I arrived yesterday and worked past midnight) I saw the fog rolling in from the water, and I quick grabbed this shot.

Cheers,
G.
